

"This Too Shall Pass"

Our Father, in heaven, Hallowed be thy name. Thy kingdom come. Thy will be done in earth, as it is in heaven! Father, help and protect us during these long, hot days. Send your cool breeze! Protect us from the African dust! Father, God we are so grateful because in the midst of a pandemic, broken land, divisions, lies, confusion, sickness, so many deaths, jobs lost and some families struggling, there is still HOPE!

Hallelujah to the Lamb of God! Father, God cover us with your Grace and mercy! Strengthen and heal us! We trust and believe in your timing and power to deliver us! Praying for our president, political/ elected officials, judges, governors and mayors! Touch their hearts, guide and direct their decisions! We want to seek You first! Praying for our families and friends! Praying for our parents and grandparents as they provide and supply the needs of their families!

In the name of Jesus, bless our school superintendents, administrators and teachers as we plan to reopen our schools! Praying we are thinking about for children and what's best for them! Praying for all elections, guide our votes! Thank you Jesus for still saving and delivering souls! Praying for our pastors and churches as we return to our worship buildings or continue to virtually worship! We are the church of the living God! We worship and Praise You anywhere and anytime! You are Great and Mighty! Thank you Father for our blessed assurance, you will never leave or forsake us! We are anchored in You, Lord!

Our current situation can be unimaginable, but by faith we can imagine a better day! In the Name of Jesus! Amen!
