

## October's Prayer

Father, Our God, in the Name of Jesus we come boldly to say Thank You!

We praise You. We give You Glory and Honor! Even, in this pandemic, You have done great things for us! Thank you for salvation, healing, health, strength, food, clothing and shelter.

America needs You!

Heal our land and bring peace! Give us wisdom, direction and guidance! In October, we pray for our farmers, farms, and farm animals! Shield them from threats! Bless our custodians, especially during this season of sanitizing! Many times, Jesus they are overlooked and taken for granted!

Father, God please remove our doubts, fears, anxieties, frustrations, disappointments and uncertainties!

Bless our families, parents and children! Have mercy on our schools, children, teachers and all employees!

We thank You for our clergy! We appreciate them! Bless our churches and members!

Thank for the Fall of the year, changing seasons!

Praying for states with raging fires! Protect and cover firefighters and families! Praying for all storm victims as they rebuild, restore and recover! Lord, give peace and comfort to all bereaved, maybe due to Covid-19, fires, storms or killings!

Give our leaders the mind of Christ!  
We love You Father, God!

We resist the devil! We trust You because You never trick us, but always treat us with Your Blessings!

In the Name of Jesus! Amen!
