Election Day.....Veterans Day.....Happy Thanksgiving

Father, God, Creator, Master, Savior, we thank You! We love you and adore you! We are so grateful for another month.

Thank You for cooler weather, trees that are golden and brown with falling leaves! Thank You for protecting, providing and keeping us through this pandemic! Praying for our families, children and grandparents. Thank You for our schools, faculty and staff. Thank You for our pastors and churches. Father, so many are sick, heal in the Name of Jesus!

Bless the caregivers! Praying for all the bereaved families, give peace, comfort and strengthen! Have mercy on us! Help us Father as we vote for our political leaders! Bring peace and love to our nation! Let the Spirit lead us!

Thank you as we celebrate our veterans! Bless all our men and women that protect us by land, sea and air!

Bless us as we come together on Thanksgiving! Praying for guidance and direction! Remembering our Native Americans that joined us on the first celebration.

Daniel 2:21 And he changes the times and the seasons; He removed kings and raises up kings; He gives wisdom to the wise, and knowledge to them that know understanding.

In the Mighty Name of Jesus!

AMEN!
