

Happy New Year! 2021

Our Father, our Mighty God,

We come to worship and praise You for another year! We truly thank you for keeping us through the pandemic in 2020! Thank you for protection, health, strength and provisions! 2020 was a different, difficult year, full of sickness, deaths, killings, stress and tensions! Father, in spite of it all, we still have so many reasons to Rejoice! By Your Grace we made it!

We thank You Father for our families, children, friends, schools, churches and hospitals! Thank you for all first responders that sacrificed their lives for us each day! Bless us, give comfort and peace to Your children!

Praying for our inauguration! Bless and protect president elect Biden and vice- president elect Harris as they prepare to lead our country to unity and peace!

Many are making resolutions for the new year!! Father, we resolve to humble ourselves and to pray! We want to seek Your face and help us to turn from our wicked ways! Father, God speak to our hearts this year! Fill our hearts with love, heal and forgive our sins! Rekindle our souls!

Hallelujah, Thine the Glory! Hallelujah, Amen!

Hallelujah, Thine the Glory! Revive us Again!

In the Name of Jesus, Amen!
