

Happy Father's Day

Ephesians 6:4

Our Father in Heaven, loving, compassionate and faithful we Thank You!
We bless Your Name! We magnify You!

Father, we thank You for another month and a new season. Bless us this summer!
Thank You Jesus for the sunshine and the rain. Bless our families, parents, grandparents and children. Keep and protect our children as school closes. Cover the students going to summer school. Protect our children at the pools, ponds, lakes and beaches! Give us traveling grace and mercy as we go on vacation. Heal us Jesus and save us!

King of Kings, LORD of LORDS, let peace be still during this Hurricane season!

Bless our pastors and churches! Help us to be the light in darkness! May we be the salt of the earth as we share Jesus! Lead, guide and direct us in the ways of God! Let love overflow!

Thank You Jesus for keeping us during this pandemic! Thank You for our gradual return to our normal lives! Nobody, but You! None like You! Thank You for your healing power! Help us to be obedient!

Thank you for our fathers! May we celebrate and honor them according to Your Word! Help our fathers to be the head of our families. Help our fathers not to provoke their children to wrath. Thank you for fathers bringing their children up by training and in the admonition of the Lord! Lord, have mercy! Strengthen us whose fathers are now in the presence of the Lord.

We repent and pray for our nation and leaders! Bring us together in love and unity! Change our hearts and minds for justice and equality for all!

In the Name of Jesus, give ear to our words, O Lord, consider our meditation. Give heed to the voice of our cry, My King and My God. For to You we will pray!

Amen!
