

Happy Mother's Day

Her children arise up, and call her blessed, her husband also, and he praised her.
Proverbs 31:28

Our Father, Creator and Savior we come to praise and honor You! Thank you Heavenly Father. One more month, trusting and depending on You!

We continue to pray for this pandemic and the Covid-19 vaccinations.

In the Name of Jesus supply all of our needs, provide and protect us from all evil.

Heal all sickness, give comfort, peace and strength to the bereaved.

Bless our nation and leaders.

Bless our churches and pastors.

Bless our schools and communities.

Let us celebrate our Graduations and praise You for all of our accomplishments!

As we celebrate and honor our mothers, we say Thank You! Bless our mothers that have given love, sacrifice, instructions, wisdom and have labored from the beginning! May their children respect, obey and love them. Thank You Father for the great and precious gift of motherhood.

Praying for our military as they protect us on land, air and sea! Let us remember all of them that gave their lives this Memorial Day.

In the Name of Jesus, we believe and trust You have heard us and will answer our prayers!

Amen!
