

Happy 4th of July! God bless America!

O LORD our God, we thank you, worship and praise You!
We come to Your throne of grace with repenting hearts asking
for forgiveness! Hear our prayer, Father!

Thank you for our families. Bless our homes. Let love abide
in our marriages. Father, help our parents to teach and train their children.
Help our children to be obedient and respectful. Bless us financially.

In the Name of Jesus, heal us! Provide and protect us! Give
comfort to the bereaved families. Some are still dying from Covid,
so direct and lead us in the path of righteousness for your name
sake. Save us O LORD!

God bless our nation! Revive us! Remind us that God is a Spirit and
where the Spirit of the LORD is, there is freedom! Let us live as people
who are free. As we learn the truth, help us to love! Jesus, watch over us
as we safely celebrate the 4th! Traveling grace and mercy!

Father, bless and keep us! Shine upon us! In the Name of Jesus,
give us peace and strengthen us to walk by faith daily! Amen!!!
