

August Prayer  
By Sis. Deborah Norman

Dear LORD, Father, Jesus, Jesus, Jesus, we praise and thank You for your mighty works and wonderful deeds. Forgive our sins and hear our prayers!

Thank You so much for the SOS Prayer Network, Linda Kirk, prayer call leaders, prayer intercessors and callers.

Thank You for the hot, sunny days and the refreshing rain! We pray for protection and covering during the storms!

Father, You know, we are still going through this pandemic! We are in a season of hurt, sickness, crime, brokenness, darkness, uncertainty, emptiness, no hope, worry, fear, and doubt! Help us, show us how to be the light, share the good news of Jesus, and live a life of faithfulness and obedience! Father, we pray we can lift You up and You will draw all men unto You!

We pray for our families, friends, schools, churches and pastors. Bless our children, teachers and all staff as they return to school.

We pray for our nation, states, counties and cities! We pray for all of our leaders. We pray for our intercessors preparing for our 50 States Prayer Vigil. Holy Spirit lead, guide and direct them!

We give You our broken bodies, relationships and hopes. Heal us Jesus! LORD, have mercy on us! Comfort us, strengthen us and give us peace! Hallelujah!!!! Bless Your Name!!!

Holy, Anointed One make us whole again! In the Name of Jesus bring out the best in us, teach us to be faithful so we can receive opportunities, increase and victories!! Amen! Amen! Amen!
