

Have you ever read and meditated on Matthew 20, there are two sections that distinguish between a workers pay and being a servant:

- Matt 20: 1-14 Workers In The Vineyard
- Matt 20:20-28 Greatness In Serving

This month as Pastor Debra Young coordinates our Leadership Appreciation Month she is encouraging us to share salutes with our Prayer Call Leaders and Special Event Coordinators, using one word and then use that word in a sentence. So my one word is 'servant.' And my sentence is 'WELL DONE GOOD AND FAITHFUL SERVANT!'

Together we exemplify a discipline that Jesus taught his disciples. All of us have grown from being:

- hopeless to hopeful
- prayerless to prayerful
- powerless to powerful

None of us are individually in our own might powerful but every person is yielded to the Holy Spirit. We've fervently prayed in season, out of season, in every season and seen many prayers answered.

We serve in prayer; hosting calls and petitioning request. Our combined faith level is strong, as we've prayed each other through: healing of diseases, winning legal battles/protests, salvation of households, restoration of jobs and other tests while constantly praying for others.

This October as we salute the **SOS PRAYER NETWORK LEADERS** join me in showing gratitude by seeding encouraging words or a monetary gift into these good and faithful servants!
