

## **He is Risen!**

Our Father, in the Name of Jesus, our Risen Savior! Holy! Holy! Holy!, our God Almighty, we praise and worship You! We come to the throne for forgiveness and Thanksgiving!

Thank You Father as we remember Your death, burial and resurrection! Thank You for Your great love. Thank You for giving us life and eternal life.

Thank You for our families, friends and neighbors. Revive, restore and resurrect our faith, love, peace and joy. Thank You for salvation and deliverance.

Heal us O LORD!! Heal us spiritually, physically, mentally, emotionally and financially! Comfort our grieving hearts!

Bless our cities, states, nation and world! Have mercy on our leaders. Father, bring peace! Praying for Ukraine and Russia.

May we realize what Your death and resurrection means even though we experience great distress on earth! Help us to live in an attitude of gratitude daily! You Live and we will live, in the Name of Jesus! Amen!
