

You ever had a tug in your spirit to read a particular passage. For a believer it's more than a tug its Gods Holy Spirit. Well several times last year I was drawn to study Joel, as a result we were inspired by REVIVAL. And we give God all the GLORY, and say thank you to the SOS Prayer Call Leaders, the five fold ministers, those who shared their gifts of anointing and all supporters.

Starting the year united in revival has been a blessing. The symbolism in Joel is not outdated but was spoken long before our time, and yet we are living out the reality.

In this Old Testament book the people of God are told how to be cleansed (repent, pray, fast). Which is the prelude of the New Testament book reminding us that Gods judgement starts in the Church.

1 Peter 4:17 says, "For the time is come that judgment must begin **at the house of God.**"

From these scriptures, we can see that when God returns in the last days, He will express the

truth and do the work of judgment beginning in the house of God.

Joel 1:4 What the chewing locust left, **the swarming locust has eaten**; What the swarming locust left, the crawling locust has eaten; And what the crawling locust left, the consuming locust has eaten.

This prophetic word reveals to the Church God's warning:

Palmerworm - chewing locust

Locust - swarming locust

Cankerworm - crawling locust

Caterpillar- consuming locust

Sin is what God expects of the world. But his Church is to be sin free for he has set his precedence.

EPHESIANS 5:27 – That He might present to Himself the church In all her glory, having no spot or wrinkle or any such thing; but that she would be holy and blameless.

Categorizing the variants of covid-19, delta, omnicron, omni-delta:

- the world labels these as viruses
- the Church associates it to being as the locusts

Notice, billions of people have died and many were leaders of the Church.

While the world enters into the 'Great Resignation,' the Church must resign to the GREAT I AM, REPENT for this is the GREAT COMMISSION!
