Lord God, creator of the universe, our Alpha and Omega, we give you praise. We magnify Your Holy Name.

Loving God, we come in the name of Jesus asking You to grant us peace of mind and to calm our troubled hearts as we struggle to find our balance in these ever changing times. Give us the strength and clarity of mind to find our purpose and to walk the path You've laid out for us.

Holy Spirit, help us to receive the gifts of God's Spirit. We desire to know God's will for our lives, let our spirit be in open communion with the Spirit of our God so that we will know the mind of our Lord for us. We pray for renewed minds in Christ Jesus.

Let us be changed and let us be change agents for You sharing Your good news everywhere we go! We pray to have the right mind in Christ! Pleading the Blood of Jesus over our life.

**AMEN!**
