

**“Do no regular work, but present a food offering and atonement to the Lord.” Lev 23:25 NIV**

**We worship You O Lord. You are worthy to be praised! There is no shadow of turning with You; You change not. Father as You have been and will forever be Jehovah Shammah (the Lord is there). We lift up holy hands and bless You with the fruit of our lips, and the labor of our bodies because You are our strength for today and hope for tomorrow. We will not fear, and we will be of good courage while we wait on You.**

**We are grateful for Your promises; for they are yes and amen (2 Cori 1:20). And we are grateful for the opportunity to obey Your word to do no regular work, but present a food offering and atonement to the Lord (Lev 23:25). We count it a blessing and an honor to focus on You and kingdom work.**

**Father, thank You for hearing our prayers. Thank You, Jesus, for making intercession on our behalf. We decree and declare that because we pray, according to Your Word, we receive the answers to our prayers. Thank You, Father, for giving us the Word of Truth, that has unlimited abilities when coupled with our faith, in Jesus’ name we pray.**

**Amen, amen and amen!**
