

Prayer For The Nation

Our Father, Our God, Our LORD, we come with thankful hearts and praises on our lips! Thank You for keeping us during this hot and stormy summer! You are good and have been good!

Father, thank You for Your protection, provisions, healing and deliverance! Our children are preparing to return to school. Cover every school! Give our children and parents peace! Give our children a desire to obey, trust You and learn!

Father, we are facing many obstacles, dangers seen and unseen, sicknesses, diseases, deaths and shortages, but we seek You and stand on Your promises!!! May we be the light in this dark world. May we speak the truth of Your amazing grace, miracles, signs and wonders! Let us not grow weary, but reap Your favor, love, peace and joy!

In the Name of Jesus, Thank You! Amen, Amen, Amen!!!
