

Happy Labor Day!

Welcome Back to School!

National Hispanic Heritage!

Dear God, our Father, how excellent is Your Name! Thank You for all our many blessings!

Thank You for this new month as we celebrate the blessings of jobs and working!

Thank you Father for a changing of seasons and cooling off the earth!

In the Name of Jesus, may this month bring beginnings of new adventures for all our children and young adults. Protect, guide and supply all their needs while in schools and colleges!

Thank you God for our families, friends and neighbors. We are all Your children!! Guide us, heal us, deliver us and save us O God! Our lives are in Your hands! Bless You, Jesus! Amen!
